**ORDER ACCEPTING FINDINGS, CONCLUSIONS, AND  
RECOMMENDATION OF THE UNITED STATES MAGISTRATE JUDGE**

The court has under consideration the findings, conclusions and recommendation of the United States Magistrate Judge Paul D. Stickney. No objections to the findings, conclusions, and recommendation were filed. The district court thus reviewed the findings, conclusions, and recommendation for plain error. Finding none, the court accepts the findings, conclusions, and recommendation of the United States Magistrate Judge.

It is therefore **ORDERED** that the defendant's motion to dismiss the plaintiff's original petition for failure to state a claim, or in the alternative, motion for more definite statement (docket entry 9) is **GRANTED**.

August 7, 2014.
